- **Frostbite** is the winter race series, where we have class specific races that count for a club championship. We race rain or shine, however cool it gets.
- **Series Race** is the summer\fall race series, where we have class specific races that count for a club championship. Here we need sunglasses and shorts, right?
- **Fun Sail** is every class non-competitive racing another sailing. Get hands on – We have loaner boats available, please come down and see what all the fun it about.
- **Workshops** are building and tuning session to share tips and techniques and have a good time.
- Other events the club participates in other events to showcase model yachting.
