The RCMS invites you to spend an afternoon on the water enjoying the fun of Radio Control Sailing! Race days (Frostbite) focus on T37, DF95 & DF65 classes. or Fun sails where all sailboats welcome). Loaner boats are available, we will get you sailing.

Sailing Schedule

- **Frostbite** is the winter race series, where we have class specific races that don't count for a club championship. We race rain or shine, however cool it gets.
- **Series Race** is the summer/fall race series, where we have class specific races that count for a club championship. Here we need sunglasses and shorts, right?
- **Fun Sail** is every class non-competitive racing. Get hands on – We have loaner boats available, please come down and see what all the fun is about.
- **Workshops** are building and tuning sessions to share tips and techniques and have a good time.
- **Other events** - the club participates in other events to showcase model yachting.
